|--|-----------|
| <b>INTRODUCTION .....</b>                          | <b>9</b>  |
| <b>PART I: TECHNICAL TEXTS AND EXERCISES .....</b> | <b>11</b> |
| 1. ENGINEERING PROFESSION .....                    | 13        |
| 2. WHAT IS MECHANICS? .....                        | 17        |
| 3. KINEMATICS .....                                | 21        |
| 4. NEWTON'S LAWS OF MOTION .....                   | 23        |
| 5. FORMS OF ENERGY .....                           | 27        |
| 6. THERMODYNAMICS .....                            | 31        |
| Heat and heat capacity .....                       | 31        |
| Heat transfer .....                                | 31        |
| 7. PROPERTIES OF MATERIALS .....                   | 35        |
| 8. PROPERTIES AND USES OF METALS .....             | 37        |
| 9. ENGINEERING MATERIALS .....                     | 41        |
| 10. MATTER .....                                   | 43        |
| 11. ELECTRONS AND ELECTRICITY .....                | 47        |
| 12. ELECTRIC CURRENTS AND CIRCUITS .....           | 51        |
| FUSES .....  | 53        |
| 13. MAGNETISM - ELECTROMAGNETISM .....             | 57        |
| 14. BATTERIES .....                                | 63        |
| 15. ELECTRICITY AND ELECTRONICS .....              | 67        |
| 16. RADIOACTIVITY .....                            | 71        |
| 17. NUCLEAR POWER .....                            | 73        |
| The cons of nuclear power .....                    | 74        |
| 18. WAVES AND PARTICLES .....                      | 79        |
| 19. RADIO WAVES .....                              | 81        |
| 20. TELEPHONE .....                                | 85        |

|   |     |
|---|-----|
| 21. TELEVISION HISTORY: The beginning of a new medium ..... | 89  |
| 22. ENGINES .....   | 93  |
| External combustion engines .....                           | 93  |
| Internal combustion engines .....                           | 95  |
| The clutch and the gears .....                              | 99  |
| Gas turbines .....  | 104 |
| 23. PLASTICS .....  | 109 |
| 24. FLUID FLOW .....  | 113 |
| 25. NATURAL EARTH TRAPS .....                               | 117 |
| 26. SEPARATING BY HEATING .....                             | 121 |
| Petroleum .....   | 122 |
| Conversion .....  | 123 |
| 27. MINERALS .....  | 125 |
| 28. IRON AND STEEL .....                                    | 127 |
| 29. THE EARTH .....   | 131 |
| 30. EARTHQUAKES .....                                       | 135 |
| 31. COMPUTERS- PERSONAL COMPUTERS .....                     | 139 |
| History of computers .....                                  | 140 |
| First generation of computers .....                         | 140 |
| Second generation of computers .....                        | 141 |
| Third generation of computers .....                         | 141 |
| Fourth generation of computers .....                        | 141 |
| Clipboard technology .....                                  | 143 |
| Operating systems.....                                      | 144 |
| GUI .....   | 146 |
| 32. BLACK HOLE .....  | 153 |
| 33. THE BIG BANG .....                                      | 157 |
| 34. QUANTUM MECHANICS .....                                 | 161 |
| 35. EARLY EGYPTIAN SHIPS .....                              | 165 |
| 36. THE BACKGROUND OF SHIPPING .....                        | 167 |
| 37. SHIPBUILDING .....                                      | 169 |
| Ship Design .....   | 174 |
| Displacement and Deadweight .....                           | 174 |
| Resistance and Propulsion .....                             | 174 |
| Stability and Trim.....                                     | 174 |
| Ship Strength .....   | 175 |
| Tonnage .....   | 175 |
| Freeboard .....   | 175 |
| Subvision and Safety .....                                  | 175 |
| 38. THE LINES PLAN .....                                    | 177 |

|  |         |
|--|---------|
| 39. PETROLEUM PRODUCT TANKERS .....                    | 179     |
| 40. SATELLITES .....                                   | 181     |
| 41. DIAMONDS ARE FOREVER .....                         | 185     |
| 42. ENVIRONMENT .....                                  | 187     |
| <br><b>PART II: CHECK YOUR GRAMMAR .....</b>           | <br>189 |
| CHECK YOUR GRAMMAR .....                               | 191     |
| CHOOSING THE CORRECT PRESENT TENSE .....               | 191     |
| Simple Present .....                                   | 191     |
| Present Continuous .....                               | 191     |
| Present Perfect Continuous .....                       | 191     |
| CHOOSING THE CORRECT PAST TENSE .....                  | 192     |
| Simple Past .....                                      | 192     |
| Present Perfect .....                                  | 192     |
| Past Continuous .....                                  | 192     |
| Past Perfect .....                                     | 193     |
| Past Perfect Continuous .....                          | 193     |
| Past and Present Perfect Tenses .....                  | 193     |
| CHOOSING THE CORRECT FUTURE TENSE .....                | 194     |
| Simple Future .....                                    | 194     |
| Future Continuous .....                                | 194     |
| Future Perfect .....                                   | 194     |
| Future Perfect Continuous .....                        | 194     |
| Going to Future .....                                  | 195     |
| SOME/ANY/NO - A LITTLE/A FEW - HOW MUCH/HOW MANY ..... | 195     |
| AUXILIARIES .....                                      | 196     |
| Can .....  | 196     |
| Could .....  | 197     |
| May - Might .....                                      | 197     |
| Must .....   | 197     |
| Mustn't .....  | 197     |
| Must have .....  | 197     |
| Ought to .....   | 197     |
| Should have done .....                                 | 197     |
| Needn't .....  | 198     |
| USED TO .....  | 199     |
| INFINITIVE - GERUND .....                              | 200     |
| POSSIBILITY AND CONDITION .....                        | 202     |
| CAUSATIVE FORM .....                                   | 203     |

---

|  |            |
|--|------------|
| PREPOSITIONS .....                               | 204        |
| ACTIVE AND PASSIVE .....                         | 204        |
| DEFINING AND NON-DEFINING RELATIVE CLAUSES ..... | 205        |
| Defining relative clauses .....                  | 205        |
| Non - defining relative clauses .....            | 205        |
| EXPRESSING PURPOSE .....                         | 206        |
| EXPRESSING CONTRAST.....                         | 207        |
| EMPHATIC INVERSION .....                         | 207        |
| SPECIAL PROBLEMS .....                           | 208        |
| Matter - Material .....                          | 208        |
| Definite - Definitive .....                      | 208        |
| Each - Every .....                               | 208        |
| Take - Fetch - Bring .....                       | 209        |
| Intense - Intensive .....                        | 210        |
| Continuous - Continual .....                     | 210        |
| Force - Power .....                              | 210        |
| Empty - Vacant .....                             | 211        |
| Very - Too .....                                 | 211        |
| Discover - Invent .....                          | 212        |
| Base - Basis .....                               | 213        |
| Make - Do .....                                  | 213        |
| Refuse - Deny .....                              | 214        |
| Affect - Effect .....                            | 214        |
| Quality - Property .....                         | 215        |
| <b>PART III: WRITING SKILLS .....</b>            | <b>219</b> |
| <b>PART VI: VOCABULARY .....</b>                 | <b>231</b> |
| VOCABULARY ENGLISH - GREEK .....                 | 233        |
| VOCABULARY GREEK - ENGLISH .....                 | 233        |
| BIBLIOGRAPHY .....                               | 000        |
